The Acacia Collection

The Hickory Collection

2023 Furniture Collection The Hickory Collection

A modern take on coastal aesthetics. Made with a substantial MGP frame and slatted design, these pieces resist rot and fading, no matter the weather. Our Hickory range is sure to please - season after season.

Made with all-weather marine grade polymer that's lightweight yet highly durable. High-resiliency cushions shape to your body and bounce back for maximum comfort with long-term durability. Cushion covers are made of Sunbrella[®] upholstery, the industry leader in high-performance outdoor fabrics.

All-weather frames and removable cushion covers make upkeep a breeze.

The Acacia Collection

With teakwood accents and sleek, stainless steel frames, the Acacia collection easily elevates any space. These pieces feature a clean and minimal design. Add a touch of lasting luxury to your outdoor space.

Made with a rust-proof, brushed stainless steel frame with reinforced welding. High-resiliency cushions shape to your body and bounce back for maximum comfort with long-term durability.

Cushion covers are made of Sunbrella® upholstery, the industry leader in high-performance outdoor fabrics.

All-weather stainless steel and removable cushion covers make upkeep a breeze.

The EGG is much more than just a grill ... it's a complete outdoor cooking system engineered to be stronger, more durable and provide better heat retention than any other outdoor cooker on the market.

Convenience, ease of use and fantastic cooking results truly set the EGG apart. Once you taste the difference, you'll agree!

WHAT'S SO GREAT ABOUT THE BIG GREEN EGG?

VERSATILE RANGE OF COOKING SURFACES

Depending on the recipe and cooking setup mode, different culinary needs can be achieved by using the various cooking surfaces we offer

CONVEGGTOR® CERAMIC PLATE

Perhaps the most useful and important part for the Big Green Egg. The ConvEGGtor[®] will achieve true indirect cooking turning your barbecue into a pizza oven, a smoker and a low & slow roasting machine!

CERAMIC FIRE RING The Fire Ring stacks on top of the Fire Box, providing the shelf for the ConvEGGtor® and cooking grids.

CAST IRON FIRE GATE Take out and reuse

ONE-PIECE CERAMIC FIRE BOX - Lifetime Warranty The actual heat that is achieved when sustaining a charcoal fire for over 12-24 hours non-stop will reach temperatures over 1,000F

This Kit includes:

Big Green Egg, the official, #1 ceramic kamado cooker. The EGG is an All-In-One grill-smoker-BBQ-brick oven combo

Big Green Egg Natural Lump Charcoal is a premium, all-natural product made only from select maple hardwoods. This 100% natural product contains no fillers, chemicals, or petroleum products...you will definitely taste the difference.

CANADIAN LUMP CHARCOAL BRAZILIAN LUMP CHARCOAL

Jatura rdwood Charcoal

Because it lights quickly and burns hotter and longer than most other woods, eucalyptus wood is the preferred fuel for the most famous Brazilian steakhouses. Big Green Egg lump charcoal reaches cooking temperature in just minutes, and is more fuel efficient than charcoal briquettes or pellets.

SABER

SABER[®] grills are designed and engineered to provide a new level of cooking performance.

SABER[®] combines performance and innovation, incorporating features that allow you to relax and enjoy delicious food with your family and friends.

SABER SELECT

The SABER[®] Select 3-Burner Gas Grill locks in flavour for perfectly juicy results. Our exclusive cooking system is designed to heat the grill's surface evenly and conquer flare-ups for once and for all. This sleek grill has a large cooking surface with commercial-grade stainless steel grates and is designed with premium construction for lasting durability. Spacious side shelves hold tools and spices while grilling and fold down for storage.

SABER CAST BLACK 500 3 BURNER

The SABER® Deluxe Black 3-Burner Gas Grill features a stylish design and a premium grilling experience with a generous cooking space featuring zonal cooking. This grill features a sleek, powder - coated finish and a lid with die cast aluminum end caps. Enjoy consistent grilling results from SABER's patented cooking technology that ensures even heat at every temperature while eliminating flare-ups.

SABER STAINLESS 500 3 BURNER LP

SAR50SC0012 - 4 BURNER AVAILABLE

Turn out great tasting steaks and chops on this three-burner, fullsized grill loaded with features any cook would love--integrated electronic ignition, halogen lights and an 18,000 BTU side burner that can boil 15 quarts of water in 18 minutes. It's built to last with premium materials and uses SABER's advanced infrared technology to give you maximum performance and value for your investment.

Our new Prime grills just got even better with the same great Prime features PLUS a collapsible front shelf, interior grill light, rotisserie enabled mounting and stronger reinforced grates. Our Prime models are built even smarter and stronger. 12V direct power design provides better temp control, greater pellet fuel economy and faster startups! With micro-adjustment capability in the variable-speed fan and auger motor, you can maintain more consistent grill temps. With the grill and pellet view windows you can keep an eye on your food without letting your smoke escape and monitor your pellet supply.

Control and monitor your grill from your couch or on-the-go with GMG Smart Control. Adjust your smoke and grill temp from 150°F to 550°F with 5° increment control. Adjust and monitor your food temp from your phone with the GMG App. Grill smarter, eat better!

KODA 12

Featuring instant gas ignition, Ooni Koda 12 is ready to cook in 15 minutes and can reach temperatures up to 950°F (500°C). Use the heat control dial to cook pizza in just 60 seconds, right through to roasted fish, vegetables and steaks.

- Cooks stone-baked fresh 12" pizza in just 60 seconds
- Fits in any outdoor space, weighing only 20.4lbs (9.25kg)

FYRA 12

Ooni Fyra 12 streamlines wood-fired cooking for a no-nonsense live fire experience and intense flavours.

The innovative gravity-fed pellet hopper automatically feeds through hardwood pellets for effortless cooking.

- Wood fired flavored 12" pizzas
- Reaches 950°F (500°C) in just 15 minutes
- Cooks stone-baked pizzas in as little as 60 seconds!
- Ultra portable at just 22lbs (10kg)

KARU 16

The first and only pizza oven to be 'Recommended for Domestic Use' by the Associazione Verace Pizza Napoletana, the acclaimed international authority on true Neapolitan pizza.

- Multiple fuel options for maximum cooking versatility
- Cook with wood or charcoal out of the box, or use gas with the Ooni Karu 16 Gas Burner (sold separately)
- Reaches 950°F (500°C) in just 15 minutes
- New hinged oven door design with ViewFlame[™] technology to boost visibility
- Mounted digital thermometer displays internal ambient oven temperature (batteries included)
- Large cooking area fits up to 16 inch pizzas

Outdoor Cooking Everdure Cube

Now you can enjoy authentic charcoal cooking on the go, without the mess. The portable, CUBE[™] is designed for impromptu grilling away from home. With an integrated food-grade storage tray, preparation board and porcelain enamel firebox, it's easy to store, set up, cook and clean responsibly, while the chrome handles keep external heat to a minimum, making it easy to move while cooking.
